

## DUTCH SHEETS

The church throughout the years has been great at seeking Mark 16: salvation, deliverance, etc., however to the exclusion of Matthew 28: making disciples of all nations. God is now raising up a people that understand: it is not either/or, it is BOTH/AND. We must do both if we are to see the kingdom of God advance the way it must.

It is incumbent upon those of us who are leaders to be able to seek the Lord for His strategies to do both. How do we steward a movement of salvations, revival, deliverance and at the same time, involve ourselves in changing a nation and discipling it with the love and the Ways of God?
